Shahico Services

Dear Sir,

I hereby submit my my letter of Resignation. I thank you for the fact that you took me in, gave me a home when I needed one support when I was down, and the opportunity to learn and be the best I can be. Joining such an amazing group of people will always remain a highlight in my life not only my career.

I am sad to say that I am giving you this letter in my request of a formal resignation but due to the unfortunate situation I have at home I am unable to continue working at my current position within the company, I must leave as soon as possible.

I will still do my best to stay in touch, support and as agreed help out before you can find a suitable replacement. These past months have been filled with many great memories and I do hope that I will return and once again be a part of this amazing family, thank you for everything, Sir, Boss, Brother, Teacher.

Sincerely,

SALEM SALAH
